A Tribute to Mothers

Hooray for all the moms in our lives—mothers, grandmothers, godmothers, stepmothers, mothers-in-law, foster moms, bonus moms, other-mothers, aunts, wives, partners, sisters, friends, fellow moms, mentors and women who love with a mother's heart.

There is simply no way we can ever really thank all you mothers enough for all you have done for us. So we have put a few lines together to describe who you are, and what you have done. If you recognize your mother, just say, "That's My Mother"

- * You are the one who will be awake all night when we are sick.
 - * You are there praying to God to make us well and be ever ready to bear the pain that we may be experiencing.
 - * You are the one to wake up early in the morning to make the nicest breakfast and endure all our tantrums.
 - * Mothers, you are the ones who would forever complain that we are not eating enough or not eating right.
 - * You worry more for our examinations the next day, than we do.
 - * While we are sleeping, you stay up late to complete our school projects.
 - * Right from the start, you supported us in everything. Thank you for being there with just the love we needed.
 - * Collectively, you hold such a special place in our hearts, we are so thankful for you.
 - * Now that we are grown, we do not just feel gratitude for you—we admire you.
 - * Raising us took a lot of patience. Thanks for hanging in there with us!
 - * You sacrificed so we could rise, we want you to know we see that.
 - * Sorry if we drove you crazy sometimes, and we have—but you know we only do that to people we love!
 - * You often stood between us and the unfair stuff. Thank you for protecting our spirits.
 - * For all you do and all you are, we love you with all our hearts.
 - * Your love speaks to each of us in just the way we need.
 - * Thanks for putting up with us! We love you so very, very much.
 - * Mothers, you're the glue that holds us together.
 - * Thanks for making home the happiest place to be.
 - * As a mother, mother-in-law, grandmother, or wherever you fit in—you're the best, and we feel so blessed to have you!
 - * We're thinking of you today with lots of love!
 - * Happy Mother's Day, Mothers. Every day we are thankful you're ours.
 - * You're our mom. You're our friend. You're everything to us.
- tive influence in our lives.
