From Pen of Inspiration

It was through faith and prayer that Jacob, from being a man of feebleness and sin, became a prince with God. It is thus that you may become men and women of high and holy purpose, of noble life, men and women who will not for any consideration be swayed from truth, right, and justice. All are pressed with urgent cares, burdens, and duties, but the more difficult your position and the heavier your burdens, the more you need Jesus. – Ministry of Healing p.511

Please Lift Up in Your Prayers

- Pat Morris for healing
 - Evangelistic Seminar for a safe event, divine appointments and for people to come to a saving knowledge of our Lord and Saviour Jesus Christ
 - Health Fair for a safe event, divine appointments and engaged participation from our volunteers and a great turnout from the community
